### Description

In Packaging?: Yes

Damaged?: Unknown

Brand: Fultonlite

Model: 12A-5VL

Color: Brass Gold Brushed

Overall Dimension: light fixture length with shade is 27", height with shade is 10". The back plate is 4.75" W x 1" H. Each globe glass shade is 4.75" in Diameter. Our bathroom lights over mirror are 'mid-century' modern and clean in design, comes with a minimalistic premium brass gold frame and 5 frosted milky globes that is sure to capture the attention of all. Plus, its curved designs will become a central focal point in any room which makes spaces feel more inviting and relaxing. You will like how these vanity light fixtures look even if they are off. This gorgeous wall light fixture is suitable for Dimming & Non-Dimming LED G9 bulbs. NOTICE: G9 bulbs & dimmer switch are not included. If brighter light is preferred, consider the LED bulb with a higher lumen output. Do not exceed the specified wattage of 10W for each LED bulb. Bulbs

replaceable. With the unique and aesthetic brass wall sconce, apart from brightening the mirror to seeing your fairest beauty in it, beyond its practical use for lighting, strategically it has almost a magical ability to decorate a room. Adding it to your bathroom, living room, entryway, hallway, low ceiling, or even in the commercial area will certainly add life and sparkle to otherwise overlooked areas. Easy to install. Hardwired; professional installation recommended. ETL Listed. Detailed mounting hardware and instructions are included, for fast and easy installation on any standard junction box. Dimmable, compatible with dimmers (Not Included). If connecting to a dimmer switch, ensure that it is installed correctly.
