Ceiling Fan with Lights: Decorate your home with Amico ceiling fan! Our 66 inch classical ceiling fan with light has A energy efficiency rating, which can avoid 80% of electricity loss compared with traditional fans. Suitable for farmhouse, living room, bedroom, office, study, kitchen or other indoor/outdoor spaces (Not to be exposed directly to rain). **Remote Control:** All operations can be controlled by the remote controller, adjust the fan speed with 6 levels, select light color temperature, and supports timing (30 min/2 hour) sleep shutdown, on/off. The fan and light can be turned on separately. (Tips: After fixed, the remote control can be used as a wall switch) **Noise-free Experience:** This ceiling fan is designed for light sleepers, brings you comfortable sleeping with a quiet living environment. The volume is low to 35dB when the fan is running, like the sound of falling leaves, or like a butterfly flaps its wings(30dB). It is more suitable for families with babies or elders. Super quiet, only

wind. Reversible All Copper DC Motor: The high-quality & high-speed motor brings a perfect wind experience. The wind speed can be adjusted in 6 gears, you can choose between comfortable wind, natural wind and strong wind. Reversible dual-direction fan improves air circulation to keep you warm in winter and cool in summer.

Customizable Light: Depending on your need for the space, the light output you need can vary. If you're having a cozy night in, you may need less light, while activities like family game night or homework time may need more. This is why dimmability is so important. Our ceiling fans with lights are dimmable (10%-100%) for allowing you to find the ideal light for every occasion. At the same time, you can also select from 3 color temperature: 3000K-warm white, 4000K-nature white, 6000K-cold white.
