### Description

In Packaging?: Yes

Damaged?: Unknown

UPC: 4895262501008

Model: TRB10-1

FSA HSA Eligible. HOMLAND raised toilet seat qualifies for FSA HSA eligibility.

Therefore, you can easily get this toilet riser now, which combines safety and comfort, for your family and friends. More Safety & More Durable. The support rod under the aluminum raised toilet seat is connected to the four support legs by welding, which provides higher stability and allows the load-bearing capacity to reach 400lbs. The four supporting legs have a degree of outward tilt, providing a better support experience.

The rubber feet also play an excellent anti-slip role. All of these are designed to give you the safest experience. Adjustable Height & Width. Adjustable toilet seat riser can adjust from 18.1" to 23" in seat height, 19.1" to 23.2" in product width, suitable for people of different heights and toilets of different sizes. Provides the most suitable and comfortable height and width for all seniors, handicap, and those recovering from after surgery or injury. Extra Large & Comfortable Padded Seat. The soft and comfortable padded seat allows for extended sitting without discomfort. Non-absorb water and the non-slip pad surface will give stable support, which can prevent slips and falls for elderly users. And our seat size reaches 16.5 inches, larger cushions will give you a better experience. Non-slip Armrest & Leg Pad. The raised toilet seats for seniors have non-slip armrests and each adjustable leg is equipped with a non-slip rubber pad for stability and security. Solid structural design that provides stable support for the user, allowing them to sit down or stand up from the toilet safety frame very safely through the handrails on both sides. Comes with Practical Accessories. Our raised toilet seat with handles comes with a paper holder and storage bag, has more convenience for users and does not take up other space. Make every user convenient and feel peace of mind when using our toilet seat riser.
